Sorting station 2-streams 45 L each

T02F23

Product short description:

Designed for high-density buildings like schools, universities, administrative premises or hospitals. The self-closing swing flaps prevent the spread of odours and have a colour code indicating the waste to be inserted. All waste collectors are supplied with a set of stickers with pictograms. The doors can be closed with a four-sided key (supplied). The front of the collector is fitted with adjustable jacks to compensate for uneven floors. Galvanised bin with handle included. Rolling base ava...
