

Outdoor double-wing bin 150 L

T05H10

Product short description:

Compact bin completely closed for indoor or outdoor use, suitable for 120 L plastic bags. Made of galvanised sheet metal with steel bottom and lid. The bin is fireproof thanks to the material used. The 2-wing door allows for quick replacement of the bin bags. Baked-on Epoxy polyester powder coating, anti-UV and anti-URIN of very high quality, cardboard packaging, opening Ø 395 mm.
