

# Heavy-duty self-tipping skip 1030 L

C07A43

## Product short description:

The self-tipping skip is made of 3 mm thick steel sheet reinforced in sensitive areas. The spout design makes for easy skip emptying. Tipping is done by automatic pressure on the flat bar mounted on a spring at the end of the fork guide. It is also done manually by manipulating the yellow handle on the left side of the skip.
