

EPS crusher (Expanded Polystyrene)

P03A30

Product short description:

This model has been specially designed for shredding polystyrene packaging waste. This machine is particularly suitable for companies in the industrial and retail sector, but also for all activities generating large volumes of EPS waste. This shredder is perfectly suited to small or large structures due to its small size and high output. The waste is recovered in a 200 L plastic bag.- Simple and safe operation- Easy installation- Small size

Product attributes:

Product features:

Materials: Steel
Width (mm): 910
Profundidad (mm): 2120
Height (mm): 1195

Weight (kg): 450
Colour: Yellow / Grey
